- (d) The total deficiency payment owed is \$810.00.

Therefore, the Director is hereby authorized to charge the deficiency payment of the required fee(s) in the amount of \$810.00, or credit any overpayment, to Deposit Account Number 20-1430, to compensate for the deficiency in accordance with 37 CFR 1.28(c).

Small entity status, as previously claimed in connection with this patent, is being changed herewith, in accordance with 37 CFR 1.28(d). Applicants hereby give notice that Digital Fountain, Inc. is not entitled to small entity status.
